

-- FSL Training Mode --

- Activate cheats on your PC for the game:

- Go to **C:\Users\XXXXXX\Documents\My Games\FarmingSimulator2019**
- Open the **game.xml** file with a text editor
- Change the **<development>** element from “false” to “true”

- Once in the lobby, **as a player** press “^” to open the console and use this code (confirm with **ENTER**):

fslTraining pick1 pick2 pick3 powerPlay1 powerPlay2

(will look something like **fslTraining 1 2 3 4 5**)

- Here’s an overview of what code results in which pick:
